## “Painting with Ev Hales”

*A series of 10 ebooks  
building a comprehensive collection  
of painting instruction in the ebook format*

*The first three ebooks are on the shelves NOW ..  
The rest of the series is in production and will be  
published as the year (2013) progresses. These  
instructional ebooks bring together four decades of  
artistic endeavour and teaching experience and will  
hold a mass of information and helpful advice - not to  
mention over 1000 full color images.*
