

Watercolour & Pastel Workshop

Be inspired by the magic of watercolour and pastel! The medium suits today's living with little or no drying time and easy to manoeuvre.

Barbara McManus is a respected artist, teacher and judge of art shows around Australia. During this workshop, she will demonstrate and critique watercolour and pastel artworks. Many subjects will be covered from still life to figures to landscapes and street scenes.

Barbara will demonstrate techniques, such as 'blocking in' method as there is so much freedom in this style, using negative areas to shape the positive. Individual guidance will be offered.
