## PAINTERS OF ALL LEVELS

Our tours cater for artists to paint buildings, people and scenery off the typical tourist trail. This tour adds another dimension through the back streets of Venice and the undiscovered area near Cinque Terre. There are plenty of painting opportunities.

## EXPERIENCE CULTURE

Museums, markets, galleries and tasting local cuisine are just some of the activities that you will find on this tour. We will give you insight to the unknown areas, not generally found by the general public. If you are in no hurry, this tour also allows you time to relax and simply soak in the atmosphere (ideally with a glass of vino in hand!).

## WALKERS

An excellent way to explore the countryside with like-minded people. You have the choice of being in a guided group or you have the ability to explore the area in your own time. We have varying activities suitable for novice or experienced walkers.
