

PAINTING WORKSHOP

This will be Ev's 5th Painting Workshop with us and we have the special opportunity to visit beautiful Spring scenery in Sicily.

Ev's teaching expertise includes techniques suited to any conditions. She will show new ways to interpret the magic you are seeing when travelling.

An award winning artist and author Ev shares her passion for painting and life as she finds it in Italy.

Ev is keen to explore and share her trip to this unique country with her students. Be part of the magic as she makes the seemingly impossible achievable in paint.
