

## ABOUT

### CRAIG PENNY

Craig has had a successful career in teaching traditional drawing and illustration at Victoria University and Swinburne University.

He never lost his love of using traditional methods, subsequently specialising in watercolour, acrylic painting and illustrations. He is a popular exhibitor with his vibrant compositions which are full of colour and energy.

Craig is represented by galleries in Australia, Singapore and Cambodia. He has travelled the world taking groups to guide and encourage them for plein air painting.
