

## About Sue Hibbert

Come along and learn the fundamentals of how to capture the essence of Venice and Bay of Poets (Cinque Terre) and its surrounding landscape.

Sue is an award-winning watercolour artist with over 15 years teaching experience and is a sought-after painting demonstrator at art groups and events.

Sue's watercolour paintings capture the flow of light and mood upon an object or landscape with the use of expressive washes of colour and calligraphic brushmarks.
